

# 7<sup>th</sup> IEEE CSDE

16<sup>th</sup>-18<sup>th</sup> December, 2020

<http://www.ieee-csde.org/>

**Online**

## CALL FOR PAPERS

This year 7<sup>th</sup> IEEE CSDE 2020, the Asia-Pacific Conference on Computer Science and Data Engineering 2020 is being held on-line in the tourist center of the Australia, Gold Coast. The theme for CSDE 2020 is "Secure Data to Safe Knowledge".

IEEE CSDE 2020 is expected to bring together researchers, educators, students, practitioners, technocrats, and policymakers from across academia, government, industry and nongovernmental organizations from Asia-Pacific to discuss, share and promote current works and recent accomplishments across all aspects of computer science and data engineering, as well as information technology. Distinguished people will be invited to deliver keynote speeches and invited talks on trends and significant advances in the emerging technologies.

IEEE CSDE 2020 will feature both invited and contributed papers. The best papers will be selected from the contributed papers for awards. The conference proceedings will be submitted to the IEEE Xplore® digital library. Prospective authors are invited to submit full papers (maximum six pages) with double column IEEE conference format.

## TOPICS of INTEREST

The topics of the conference include, but not limited to, the following:

Artificial Intelligence

Application of Data Science in Business, Education, Engineering, Health, Social Sciences and Environment  
Autonomous Machines and Intelligent Automation  
Big Data Platform: Hadoop, Spark, H2O and others  
Biomedical Engineering  
Blockchain  
Computer Vision  
Computer human interaction  
Cloud Computing  
Data Visualization  
Data-centric Audit and Protection Tools  
E-Health  
Information Systems and Security  
Internet of Things  
Machine Learning Algorithms: Supervised and Unsupervised Theory and Applications  
Networking Protocol and Security  
Natural Language Processing  
Optimization Theory and Practice  
Quantum Machine Learning Algorithms  
Quantum Computing  
Quantum Cryptography  
Spatial Data Engineering, and  
**More**

## **PAPER SUBMISSION GUIDELINES**

Prospective authors are encouraged to submit full papers (up to 6 pages) for review. Only original papers that have not been published or submitted for publication elsewhere will be considered. All papers will go through a rigorous, double-blind reviewing process. At least one author of an accepted paper will have to register at the conference (full registration required) in order to submit the final version.

Please submit papers to IEEE CSDE 2020 at:

<http://ieeecsde.org/> [Paper Submission under Author]

## **REGISTRATION FEES**

**Single paper registration:** AUS\$250 (IEEE Member), It will cover to store the paper in the IEEE's *Xplore Digital Library* that will be available worldwide web view.

**2<sup>nd</sup> Paper registration:** AUS\$150 (IEEE Member), It will cover to store the second paper in the IEEE [Xplore Digital Library](#) that will also be available worldwide web view.

**Note:** IEEE CSDE 2020 publication allow worldwide readership and database coverage - articles are indexed in Science Citation Index (SCI and SCI-E), Google Scholar, Scopus and Ei Compendex, allowing for easy discovery of content. We are committed to publish all the accepted paper prior the conference from IEEE.

## SCHOLARSHIP

As like previous other years IEEE CSDE 2020 is going to offer scholarship to the students and the developing nations citizen.

## IEEE CSDE 2020 Important Dates

**PAPER SUBMISSION:** September 30, 2020

**NOTIFICATION OF ACCEPTANCE:** November 15, 2020

**FINAL PAPER SUBMISSION:** November 30, 2020

**CONFERENCE DATE:** 16<sup>th</sup>-18<sup>th</sup> December, 2020
